

# Compensation Plan

## Compensation Plan

The Well-Balanced, Righteous Compensation Plan shows the Company's Vision for Success of All Atomy Members.

### Dealership

- Atomy members are classified into 5 different types of dealership, according to the total purchased volume and commission level received from the company.

### Class Sequence and Conditions

- General Commission: 44% of entire sales PV will be distributed between qualified members every week according to the rates. Individuals must first accumulate at least 10,000 PV in order to accumulate downline PVs.
